

Uniform Residential Loan Application

This application is designed to be completed by the applicant(s) with the Lender's assistance. Applicants should complete this form as "Borrower" or "Co-Borrower", as applicable. Co-Borrower information must also be provided (and the appropriate box checked) when the income or assets of a person other than the "Borrower" (including the Borrower's spouse) will be used as a basis for loan qualification or the income or assets of the Borrower's spouse or other person who has community property rights pursuant to state law will not be used as a basis for loan qualification, but his or her liabilities must be considered because the spouse or other person has community property rights pursuant to applicable law and Borrower resides in a community property state, the security property is located in a community property state, or the Borrower is relying on other property located in a community property state as a basis for repayment of the loan.

If this is an application for joint credit, Borrower and Co-Borrower each agree that we intend to apply for joint credit (sign below):

Interest rates and annual percentage rates (APRs) are based on current market rates, are for informational purposes only, are subject to change without notice and may be subject to pricing add-ons related to property type, loan amount, loan-to-value, credit score and other variables—call for details. This is not a credit decision or a commitment to lend. Depending on loan guidelines, mortgage insurance may be required. If mortgage insurance is required, the mortgage insurance premium could increase the APR and the monthly mortgage payment. Additional loan programs may be available. APR reflects the effective cost of your loan on a yearly basis, taking into account such items as interest, most closing costs, discount points (also referred to as "points") and loan-origination fees. One point is 1% of the mortgage amount (e.g., \$1,000 on a \$100,000 loan). Your monthly payment is not based on APR, but instead on the interest rate on your note. Adjustable-rate mortgage

(ARM) rates assume no increase in the financial index after the initial fixed period. ARM rates and monthly payments are subject to increase after the fixed period: ARMs assume 30-year term.
